**BULLYING
STOPS
HERE!**
TOGETHER WE CAN MAKE A DIFFERENCE

You're
dead

**The bully walks
up to the victim,
And he's ready
to punch him!
he says, "why
are you so tall
for a weak
person, instead
you should be
short and super
strong like me"**

OWWWW.

Take that, loser.

The bully punches the victim, it sounds like a crunch.

The victim falls on the ground and gets knocked out, while the bully just stands there looking at his victim laughing.

Scaredy
cat!

The victim
walks
away
In tears
With his
two
Best
friends.

Dude stand up
for yourself.

He's
right.

The victim's
friend
cheers him
up then,
they tell him
that he
doesn't need
to be like the
bully he can
just be
himself.

I don't have to be like you. I can be myself.

The victim went to their teacher and told her what happened.

She told them to tell the bully to stop and that she would go talk to him.

The end.
