

One and All

by Lachie and Sam Wallace,
Tamahere Model Country School

(lyrics)

Pushing and shoving, it shouldn't be happening

But what can I do about it?

The bully is growling, his mates are all looking

They think he's so cool but he's not.

As I stand watching, the bullies are leaving

After the kid has run off.

It's gonna keep happening if I don't do something

But I'm just so clueless 'bout what.

Chorus

I feel so weak, I feel so small

The bully seems so powerful.

Let's stop this stuff, let's stop it now

Let's stand together one and all.

Come on my friends, let's stop this now

Let's stand together one and all.

I've got an idea about what we can do

We'll all stand together as friends

The bully won't know what to do anymore

Let's all get this stuff to an end.

Chorus
